

The Picking Assistant is designed for all your small to large-scale crop harvesting, weeding, planting, and bed maintenance needs. The simple design increases the efficiency of your field workers by protecting them from the weather, saving back strain, and keeping them going strong throughout the day.

PA1600 PICKING ASSISTANT

PA1600 Picking Assistant

PA1600 Features

PA1600 includes 24 V variable speed controller allowing operator to move at different speeds.

- Dual high torque gear motors
- Dual 12 V batteries
- Durable, easy-to-clean comfort pads
- Two solar panels minimize the need to charge batteries
- Picking height adjustment 20" to 30"
- Width adjustment 36" to 66"
- All-weather canopy
- 2 year limited warranty

Solar Panels & Batteries

Two 12 V solar panels minimize the need to charge batteries using a 110 V outlet. The solar panels are easily removed and can be stored in the rear storage tray. Charger available as separate accessory option.

Drive System

Direct gear drive system and wide tires provide excellent traction and flotation. 24 V variable speed controller allows operator to move at different speeds.

Produce Tray

Large rear tray holds five strawberry flats to minimize trips to and from the field. Adjustable picking tray tilts towards the operator, adjusts in height, and rotates in 45° increments. Zinc coated clamps and wheel posts make installation and adjustments easier.

Comfort Pads

Durable and easy-to-clean, these vinyl covered foam pads are adjustable to keep operators comfortable no matter their height.

Motor locks to wheel

Height adjustment handle and zinc plated brackets

CropCare® Commitment, Value, Support

CropCare® is committed to serving you with well-engineered equipment that meets high standards of reliability and value. We take seriously our responsibility as a manufacturer to provide you with relevant equipment that meets your expectations.

We want our equipment to be useful, so we build dependable features that stand the test of time and strive for a balance between simplicity and functionality. We back everything we make with a CropCare® factory warranty to help you to fully utilize your equipment and maximize the value of your investment.

Our Dealer Network

Our growing and knowledgeable dealer network helps to ensure that CropCare® equipment is supported and serviced promptly. So, whether it's routine maintenance or that unexpected problem, you can count on outstanding dealership support to help you achieve the timely applications of products that are vital to your success.

Experience the quality, Enjoy the results
